The Administrator is authorized to establish an Early Voting Ballot Board and to designate the Presiding Judge of the Early Voting Ballot Board. The Presiding Judge of the Early Voting Ballot Board shall appoint two or more additional members to constitute the Early Voting Ballot Board members and, if needed, the Signature Verification Committee members required to efficiently process the early voting ballots.

SECTION 3. Any legally permissible voting method may be used for early voting and Election Day voting by personal appearance, and when required by the Code, at least one accessible voting system per polling place will be provided. Certain early voting may be conducted by mail according to the Code.

SECTION 4. The District is authorized to utilize a Central Counting Station (the *Station*) as provided by the Code. The Administrator, or the designee thereof, is hereby appointed as the Manager of the Station, who will establish a written plan for the orderly operation of the Station according to the Code. The Board hereby authorizes the Administrator, or the designee thereof, to appoint the Presiding Judge of the Station, the Tabulation Supervisor, and the Programmer for the Station and may appoint Station clerks as needed or desirable. The Administrator will publish (or cause to be published) notice and conduct testing on the automatic tabulation equipment relating to the Station according to the Code.

SECTION 5. The official ballot shall be prepared according to the Code so as to permit voters to vote “FOR” or “AGAINST” the aforesaid measures that shall appear on the ballot substantially as follows:

SECTION 6. All resident, qualified voters of the District shall be permitted to vote in the Election. The Election shall be held and conducted according to the Code and other applicable law. To the extent required by law, materials and proceedings relating to the Election shall be printed in both English and Spanish.

SECTION 7. Notice of election, including a Spanish translation thereof, shall be published at least one time in a newspaper of general circulation in the District, with such publication occurring not more than 30 days and not less than 10 days before Election Day. Moreover, a substantial copy of this Order and the voter information attached to and incorporated herein for all purposes, including a Spanish translation thereof, shall be posted (a) not less than 21 days prior to Election Day (1) on the bulletin board used for posting notices of Board meetings, (2) in three additional public places within the District's boundaries, (3) in a location on the District's internet website, and (b) in a prominent location at each polling place on Election Day and during early voting. A sample ballot shall be posted on the District's internet website not less than 21 days prior to Election Day.

SECTION 8. As required by and in accordance with Section 3.009(b)(5) and (7) through (9) of the Code, the District, as of the date of this order, had outstanding an aggregate principal amount of debt equal to \$42,693,343.02 (which includes \$31,990,000 of debt payable from the unlimited debt service tax and \$10,703,343.02 of debt payable from the District's limited maintenance and operations tax); the aggregate amount of the interest owed on such District debt obligations, through respective maturity, totaled \$25,980,975.42 (which includes \$24,365,512.50 of interest payable from the unlimited debt service tax and \$1,615,462.92 of interest payable from the District's limited maintenance and operations tax); and the District levied an ad valorem debt service tax rate for its outstanding debt obligations of \$0.2550 per \$100 of taxable assessed valuation. Based on the bond market conditions on the date of the Board's adoption of this Order, the estimated maximum interest rate for any series of bonds authorized at the Election is 4.35% (expressed as a net effective interest rate applicable to any such series of bonds). The bonds that are the subject of this Election shall mature serially or otherwise over a specified number of years (but not more than 40 years from their date), as prescribed by applicable Texas law, though the District estimates that, based on current bond market conditions, such bonds will amortize over a 30-year period from their respective date of issue. The foregoing estimated maximum net effective interest rate and amortization period are only estimates, provided for Texas statutory compliance; they do not serve as a cap on the per annum interest rate at which any series of bonds authorized at the Election may be sold, or the amortization period for bonds that are the subject of this Election.

SECTION 9. The Board authorizes the District's President of the Board of Trustees, the Superintendent of Schools, or their designees to negotiate and enter into one or more joint election agreements, election services contracts, and/or similar contracts or agreements with the County, acting by and through the Administrator, and any Participants if desired or if required to comply with applicable law, as permitted and in accordance with the Code. In addition, the Board

authorizes the President of the Board of Trustees, the Superintendent of Schools, or their designees to make such technical modifications to this Order that are necessary for compliance with applicable Texas or federal law or to carry out the intent of the Board, as evidenced herein.

SECTION 10. The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Order for all purposes and are adopted as a part of the judgment and findings of the Board.

SECTION 11. All orders and resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Order are hereby repealed to the extent of such conflict, and the provisions of this Order shall be and remain controlling as to the matters ordered herein.

SECTION 12. This Order shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

SECTION 13. It is officially found, determined, and declared that the meeting at which this Order is adopted was open to the public and public notice of the time, place, and subject matter of the public business to be considered at such meeting, including this Order, was given, all as required by Chapter 551, as amended, Texas Government Code.

SECTION 14. If any provision of this Order or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Order and the application of such provision to other persons and circumstances shall nevertheless be valid, and the Board hereby declares that this Order would have been enacted without such invalid provision.

SECTION 15. This Order shall be in force and effect from and after its final passage, and it is so ordered.

PASSED AND APPROVED on August 11, 2022.
